## A Safe Halloween Equals a Happy One

The 6th Area Support Group has established Halloween safety guidelines for all Stuttgart military residents. Trick-or-treating will take place in all Stuttgart housing areas Oct. 31, 5 to 7:30 p.m. Representatives from each stairwell should take turns distributing treats at stairwell entrances. Children should not go door to door inside stairwells. Candy should not be left unattended outside stairwells for children to pick up. Ensure that all walkways are unobstructed. For security reasons, toy weapons of any type and military uniforms as costumes are prohibited. Make sure children wear clothing with reflective markings or tape and carry a flashlight.

Trick-or-treaters should stay on the sidewalk and never cross the street between parked cars. An adult should accompany young children, and older children should travel in groups. All treats should be inspected and thrown out if unwrapped or spoiled. The Provost Marshal's Office will have metal detectors in the Panzer Youth Services, Robinson Barracks Community Club, Patch Barracks building 2307 in the library stairwell and the Kelley Barracks Commissary Oct. 31, 4 to 9 p.m. All individuals on military installations should be prepared to show their identification if asked to do so by military patrols. For more info visit [www.stuttgart.army.mil](http://www.stuttgart.army.mil) and click on bulletin board. Remember, in the case of a real-known threat, trick-or-treating activities could be cancelled at a moment's notice.

Locks are being broken from the lockers, so as a safety precaution the Provost Marshal's Office asks that fitness center patrons exercise caution when using lockers. Patrons are advised to avoid leaving items of value, such as wallets and jewelry in their lockers.

### **USAREUR Driver's Licenses Do Expire**

Take a moment and look for the expiration date on personal U.S. Army Europe driver's licenses. All licenses do expire, and if that date has come and gone, the license must be renewed immediately. Failure to do so could result in a loss of driving privileges for 90 days. For more info refer to USAREUR regulation UR190-1 or call the Provost Marshal's office at 430-5262/civ. 0711-680-5262.

Mailing packages stateside from abroad involves many prohibitions, restrictions and import duty rules. Banned products include canned meats, paté, salami, sausage and soup mixes containing meat. It is also illegal to mail handguns, alcoholic beverages and many other items to the U.S. Some items not on the banned list may be restricted and need special import permits. A customs declaration has to be on every parcel going to the states and falsifying it is a federal crime. Avoid problems and pick up an international mail imports pamphlet at any military customs office or view it on the Internet at [www.customs.gov/travel/internat.htm](http://www.customs.gov/travel/internat.htm).

### **Events and Functions Require FP Plan**

A force protection assessment plan should be completed for all off-post official and U.S.-sponsored events. The organizers of an off-post event involving 50 or more individuals should also complete a force protection plan. Once the plan is completed, the organizer should contact the 6th Area Support Group Force Protection Office at 421-2860/civ. 0711-729-2860, to review the plan. Unit organizers will be contacted via telephone and e-mail notifying them of the outcome.
